

ARIZONA FLUTE SOCIETY

presents

The 2012 Regional & All-State Etude Masterclasses

Attention all high school flutists!

Come join us for master classes on this year's regional & all-state audition material. These classes will be taught by two of Arizona's best flute teachers. Focusing on techniques, tempos, and style, they will help you work out the bugs and kinks before the audition. We will even have mock auditions for those interested. These flute instructors are highly sought-after and regularly have students in regional and all-state bands and orchestras. So just pick a day, or come to **both** masterclasses!

Saturday, January 7, 10 AM - 12 Noon
